

PROGRAM AT-A-GLANCE

SUNDAY Sept. 13, 2009

Opening Ceremony and Reception 1500-1845

Plenary 1645-1710 "Opening Plenary Talk" I0-161
Rick Fedrizzi, President, CEO and Founding Chairman USGBC

MONDAY Sept. 14, 2009

Plenary 0830-0900 - "EU Policies on Indoor Air Quality" I1-081
Eduardo de Oliveira Fernandes, Engineering Dept. University of Portugal, former Secretary of State for the Environment, and President HB2006

Plenary 0900-0930 - "Modern Exposures and Modern Diseases" I1-082
Carl-Gustaf Bornehag, Karlstad University's Technical Research Institute of Sweden and the International Centre of Indoor Environment and Energy, Technical University Denmark

Parallel Technical Sessions 1015-1200

Epidemiology and Health Studies	P1-10A
Filtration and Air Cleaning I	P1-10B
Indoor Air Quality - Ventilation and Air Flow	P1-10C
Mold in Buildings and Materials	P1-10D
Thermal Comfort I	P1-10E

Parallel Technical Sessions 1300-1430

Mold and Pollen - Monitoring Studies	P1-13A
Natural and Hybrid Ventilation	P1-13B
Performance Studies of Building Materials	P1-13C
Sustainable Buildings - Policy, Legal and Economic Issues	P1-13D
Thermal Comfort II	P1-13E
VOCs from Building Materials I	P1-13F

Parallel Technical Sessions 1500-1630

Indoor Allergens and Health Effects	P1-15A
Lighting and Acoustics in Built Environment - Studies from Asia	P1-15B
Particles: Field and Lab Measurements	P1-15C
Thermal Quality of Built Environments - Measurement and Control	P1-15D
VOCs from Building Materials II	P1-15E

Parallel Forums 1500-1600

Nanoparticles in Indoor Air and Health Effects - Forum	F1-15F
ETS in Multi-Family Housing: Exposures, Controls, and Legalities - Forum	F1-15G

Key Events

HB2009 Exhibition and OppEx Opening 0930

HB2009 Community Welcome Reception at Everson Plaza 1700-1900

TUESDAY Sept. 15, 2009

Plenary 0830-0900 - "IAQ and Human Performance"	I2-081
Shin-ichi Tanabe, Professor of Architectural Engineering at Waseda University in Japan, and ASHRAE fellow	
Plenary 0900-0930 - "Green Housing - How Can We Better Assess Exposure and Health Outcomes?"	I2-082
Ginger Chew, Epidemiologist in the National Center for Environmental Health at the US CDC, Adjunct Professor Columbia University	
Parallel Technical Sessions 1015-1200	
Energy and IEQ	P2-10A
Filtration and Air Cleaning II	P2-10B
Sustainable & Green Buildings	P2-10C
Ventilation Strategies and Field Measurements I	P2-10D
Workshop Session - VOC Emissions Rating Systems I	P2-10E
Parallel Technical Sessions 1300-1430	
Energy Performance of Buildings I	P2-13A
Modeling & Simulation	P2-13B
Human Response and Performance	P2-13C
Thermal Comfort III	P2-13D
Ventilation Strategies and Field Measurements II	P2-13E
Workshop Session - VOC Emissions Rating Systems II	P2-13F
Parallel Technical Sessions 1500-1630	
CFD Modeling	P2-15A
Productivity and Performance in Offices	P2-15B
IAQ and Risk Assessment	P2-15C
Personal Ventilation and Microenvironment	P2-15D
Transportation and IAQ	P2-15E
Parallel Forums 1500-1600	
Healthy Housing - Forum	F2-15F
Semivolatile Organic Compounds Indoors: Sources to Exposures - Forum	F2-15G

Key Events

"Technically Speaking" Student Delegate Luncheon with ISIAQ 1200-1300
OppEx B2B (Business to Business) Networking Reception 1700 - 1900
ISIAQ General Assembly Meeting 1730 -1900
Chair's Dinner 1900 - 2200 [by invitation only]

WEDNESDAY Sept. 16, 2009 [US Environmental Protection Agency Day]

Plenary 0830-0900 - "IAQ, Policy and Healthy Buildings in the US" Tom Kelly, Director of the US EPA's Indoor Environments Division	I3-081
Plenary 0900-0930 - "Ventilation and Airborne Infection" Yuguo Li, Professor Mechanical Engineering, University of Hong Kong and Associate Editor of Indoor Air	I3-082
Parallel Technical Sessions 1015-1200 Indoor Air Quality - Measurement Studies I Indoor Air Quality - Products and Materials Indoor Pollution Sources and Exposures TIEQ in Schools	P3-10A P3-10B P3-10C P3-10D
Parallel Forums 1015-1115 Microenvironment Around Persons in Ventilated Spaces - Forum HealthyAir: A European Project for Defining Ways to Improve Indoor Air Quality - Forum	F3-10E F3-10F
Parallel Technical Sessions 1300-1430 Bioaerosols Energy Performance of Buildings II Indoor Air Quality - VOCs and SOA I VOC Measurements in Built Environments	P3-13A P3-13B P3-13C P3-13D
Parallel Forums 1300-1400 IAQ Challenges and Solutions in Schools - Forum What Are the Problems With and Solutions To the Successful Application of Air Cleaners? - Forum	F3-13E F3-13F
Parallel Technical Sessions 1500-1630 Building Related Illnesses IAQ Measurement Techniques Indoor Air Quality - Measurement Studies II Perceived IAQ	P3-15A P3-15B P3-15C P3-15D
Parallel Forums 1500-1600 Bioaerosols, Fungi, Bacteria and Mycotoxins - Forum IEQ and Productivity: What is New and What is Needed? - Forum Building Material IAQ Certifications: Single and Multiple Attributes - Forum	F3-15E F3-15F F3-15G

Key Events

Conference Reception and Dinner 1900-2400

THURSDAY Sept. 17, 2009

Plenary 0830-0900 - "Restoration and Reciprocity: Indigenous and Scientific Principles for Sustainable Communities" Robin Kimmerer, Author, Professor of Ethnobotany at the State University of NY College of Environmental Science and Forestry	I4-081
Plenary 0900-0930 - "Drawing from Nature: Giving Form to Biophilia" Rick Cook, Founding Partner Cook+Fox Architects, designers of the first LEED Platinum skyscraper	I4-082
Parallel Technical Sessions 1000-1100	
Indoor Air Quality - VOCs and SOA II	P4-10A
PM and Gaseous Emissions from Office Equipment	P4-10B
Pollutant and Moisture Transport: Indoor-Outdoor Interactions and Effects	P4-10C
Sustainable Design	P4-10D
Green Building Rating Systems and Evaluations	P4-10E

Key Events

HB2009 Recap and Closing Ceremony 1100-1300

NOTES: Opening Ceremony and Reception at the *Onondaga County Civic Center Crouse Hinds Theater*
All plenary talks (I) held at the *Onondaga County Civic Center Crouse Hinds Theater*
All sessions (P) and forums (F) held in the *Nicholas J. Pirro Convention Center (Oncenter)*
